AU / NZ

- **BEFORE USING THIS PRODUCT, PLEASE VISIT THE SETTINGS MENU ON YOUR PLAYSTATION®4 CONSOLE FOR IMPORTANT HEALTH AND SAFETY INFORMATION.**

PRECAUTIONS - This game disc contains software for the PlayStation®4 console (PS4™) and conforms to PS4™ specifications for the PAL market only. Carefully read the Safety Guide for the PS4™ to ensure correct usage and storage of this game disc.

HEALTH WARNING - Always play in a well lit environment. Take regular breaks, 15 minutes every hour. Discontinue playing if you experience dizziness, nausea, fatigue or have a headache. Some individuals are sensitive to flashing or flickering lights or geometric shapes and patterns, may have an undetected epileptic condition and may experience epileptic seizures when watching television or playing videogames. Consult your doctor before playing videogames if you have an epileptic condition and immediately should you experience any of the following symptoms whilst playing: altered vision, muscle twitching, other involuntary movement, loss of awareness, confusion and/or convulsions.

3D HEALTH WARNING - Some people may experience discomfort (such as eye strain, eye fatigue or nausea) while watching 3D video images or playing stereoscopic 3D games on 3D televisions. If you experience such discomfort you should immediately discontinue use of your television until the discomfort subsides. Generally we recommend that you avoid prolonged use of your PS4™ console and take 15 minute breaks during each hour of play. However, when playing stereoscopic 3D games or watching 3D video, the length and frequency of necessary breaks may vary from person to person – please take breaks that are long enough to allow any feelings of discomfort to subside. If symptoms persist, consult your doctor. The vision of young children (especially those under six years old) is still under development. We recommend that you consult with your child's doctor or optometrist before allowing young children to watch 3D video images or play stereoscopic 3D games. Adults should supervise young children to ensure they follow the recommendations listed above.

VR HEALTH WARNING - Some people may experience motion sickness, nausea, disorientation, blurred vision or other discomfort while viewing virtual reality content. If any of these symptoms are experienced, stop using immediately and remove the VR headset.

PIRACY - The use of PS4™ and PS4™ game discs is governed by software licence. The PS4™ and the PS4™ game discs contain technical protection mechanisms designed to prevent the unauthorised reproduction of the copyright works present on the PS4™ game discs. The unauthorised use of registered trademarks or the unauthorised reproduction of copyright works by circumventing these mechanisms or otherwise is prohibited by law. If you have any information about pirate product or methods used to circumvent our technical protection measures please email anti-piracy@eu.playstation.com.

SET PARENTAL CONTROLS - The rating on the front of box indicates the age for which this game disc is appropriate. Set the parental control on your device to prevent play by children who are below that age. For information on age ratings and how to set the parental controls, see the Quick Start Guide included with your PS4™ or visit playstation.com/parents

HELP & SUPPORT - Please visit playstation.com or refer to the telephone number below:

Australia - 1300 365 911 Calls charged at local rate.

NEW ZEALAND - 09 801 1235 Call charges vary depending on your landline / mobile provider.

Please check with your provider before calling.

- **THIS CASE MAY INCLUDE RECYCLED MATERIALS WHICH MAY RESULT IN MINOR COSMETIC IMPERFECTIONS WITHOUT IMPACTING FUNCTION.**
